## Sunan Kalijaga State Islamic University

### Core Values

Integrative - Interconnective ♦ Deductive - Innovative ♦ Inclusive - Continuous Improvement

## SUNAN KALIJAGA STATE ISLAMIC UNIVERSITY

Sunan Kalijaga State Islamic University (UIN-SUKA) is the oldest institute of higher education in Indonesia. In 2004, IAIN Sunan Kalijaga was officially transformed into a university with the name State Islamic University Sunan Kalijaga (UIN-SUKA). Becoming a university, UIN-SUKA bears wider mandate to develop a number of new faculties, including the Faculty of Science and Technology, the Faculty of Social Sciences and Humanities, as well as the Faculty of Islamic Economy and Business.

UIN-SUKA has earned a reputation for developing the paradigm of "integration-interconnection" by integrating both religious and general fields of studies. Maintaining high academic standards, UIN-SUKA becomes a member of AUN-QA Network as its quality assurance, and is the reference in Islamic Studies. Developing its national and international reputation, the University set its goal of becoming a research-oriented "World Class University in Islamic Studies".

## VISION

Provide superior education in the integration and development of Islamic studies and science for civilization.

## MISSION

1. To integrate and develop Islamic Studies, science, and Indonesianness in education and teaching.
2. To develop a culture of ijtihad in multidisciplinary research that is beneficial for both academic and community needs.
3. To increase the institutional role in solving national issues, based in Islamic and scientific insight for the realization of a civil society.
4. To build trust and develop cooperative partnerships with a number of parties to lead to better implementation of the Three Principles of Higher Education.

## CORE VALUES

UIN Sunan Kalijaga offers :

- (a) an Integrative-Interconnective model of education and study with an integrative system of academic development, management, student affairs, collaboration and entrepreneurship;
- (b) a Dedicated-Innovative approach that is characterized by trust, a pro-quality orientation and a commitment to creativity, intelligence and innovation; and a commitment to
- (c) Inclusive-Continuous Improvement including openness, accountability and dedication to change and advancement.

## TEACHING STAFF

Our teaching staff includes full Professors, Associate Professors, as well as lecturers who have achieved doctoral and master's degrees from leading universities of both national and international programs.

## INDONESIA'S INCLUSIVE CAMPUS

UIN Sunan Kalijaga received the Inclusive Education Award from the Department of Education and Culture on November 18th, 2013. This award demonstrates the university's commitment as one of the pioneering inclusive campuses in Indonesia. The award recognizes UIN Sunan Kalijaga's longstanding initiative to fight for the creation of an inclusive educational system, not only at the post-secondary level, but also at the primary level.
